Dear [REDACTED]

FREEDOM OF INFORMATION REQUEST N-15100-LT0688 – NOTICE OF DECISION

I refer to your request to the National Offshore Petroleum Safety and Environmental Management Authority (NOPSEMA) on 9 May 2023 for access to documents under the Freedom of Information Act 1982 (the FOI Act).

I am an officer authorised under s 23 of the FOI Act to make decisions in relation to FOI requests.

I have assessed the work that NOPSEMA would need to do to process your request based on the document identified as within the scope.

On the basis that your request is only for one document which was easily identified and there are no third parties to be consulted, I have decided to exercise my general discretion in this instance under the *Freedom of Information (Charge) Regulations 2019* to determine that charges should not be imposed for processing your request.

NOPSEMA will continue processing your request and a decision will be made by 8 June 2023.

Please do not hesitate to contact me if you have any questions.

Yours sincerely

Michela Giubilato

Freedom of Information Authorised Officer
