(paragraph 3.30(e))

---

*Offshore Petroleum and Greenhouse Gas Storage Act 2006  
Offshore Petroleum and Greenhouse Gas Storage (Safety) Regulations 2009*

**Notice Number: 360**

## IMPROVEMENT NOTICE

To: Woodside Energy Limited

I, [REDACTED] an OHS inspector appointed under section 680 of the Act, am satisfied that the person named above as the responsible person is contravening, or has contravened, and is likely to contravene:

(a) Clause 9(2)(a) of Schedule 3 to the Act; or

at:

Vincent

The reasons for my opinion are:

**During the inspection it was observed that there remains several sea containers located on deck which are not appropriately sea-fastened. Unsecured or improperly secured sea containers can move unexpectedly under certain sea state and weather conditions. Unexpected movement could present a risk to safety-critical equipment and could also cause crushing injuries to personnel.**

You are required to take action within **60** days of the date of this notice to prevent further contravention or likely contravention of the clause or regulation.

\* The following action must be taken by the responsible person within the period specified above:

Ensure all sea containers on the facility have appropriately engineered and installed sea fastenings.
