Dear [REDACTED]

RE: ENVIRONMENT PLAN SUBMISSION – UNABLE TO MAKE A DECISION – Otway Basin 3D Multi-client Marine Seismic Survey

I write with regard to the environment plan (EP) submitted to NOPSEMA on 13 June 2024 by TGS for the Otway Basin 3D Multi-Client Marine Seismic Survey activity (Document No. 640.30610.000000-R01, Revision 5, dated 13 June 2024).

In accordance with subregulation 33(3)(b) of the Offshore Petroleum and Greenhouse Gas Storage (Environment) Regulations 2023, NOPSEMA advises that it is unable to make a decision on the EP within the assessment period ending 29 July 2024.

Instead, I propose to provide you with notification of a decision on or before Friday 2 August 2024.

Should you have any queries or concerns regarding the above, please contact the lead assessor for your submission, [REDACTED] on [REDACTED].

Yours sincerely
